Food Allergens & Intolerances:

Before ordering any drinks or food, please speak with a member of the team about your requirements. Whilst we take care to preserve the integrity of our food, we operate a multi-ingredient kitchen where allergens are present, so there is a risk that food may come into contact with an undeclared allergen, or non-vegetarian/vegan item. Cooking equipment and preparation areas may be shared, and fried items may be cooked in frying oil containing allergens. Some fish may contain small bones.
